# What you are supporting

The House of Hope is a first-of-its-kind centre in Scotland. In spring 2025, we open the doors to our new breast cancer support and wellbeing centre at 490 Gorgie Road, Edinburgh, EH11 to offer a host of services for anyone affected by breast cancer in Scotland.

Our vision is to offer classes, support services, therapies, counselling and much more - all funds raised from this event will help us make it a reality!
