Gala Ball 4th September 2026

The Stables, Prestonfield

6:30 pm - 1:00 am

Dear Supporter,

Thank you for your interest in sponsoring the second House of Hope Scotland Gala Ball, taking place in the beautiful grounds of Prestonfield House within the exclusive 'Stables at Prestonfield'.

The evening aims to bring the Scottish business community together for an evening of fine dining and live entertainment to raise funds in aid of The House of Hope, Scotland's first bespoke wellbeing and support centre for those impacted by breast cancer and their families.

Your support will not only elevate the event but also contribute to enabling us to implement and develop support initiatives within The House of Hope Scotland. At present, we offer a range of classes, workshops and therapies for our community, and with your support, we can do even more.

We aim to build on the huge success of last year's event, which was sold out and raised more than £70,000 - you have the opportunity to be part of something even more impactful this year!

As an event sponsor we can also work with you to support any of your team members facing a breast cancer diagnosis by hosting in house awareness programmes or via our bespoke support programme.

Thank you for taking the time to consider this opportunity, and I look forward to working with you.

What you are supporting

The House of Hope is a first-of-its-kind centre in Scotland. In 2025, we opened the doors to our new breast cancer support and wellbeing centre at Gorgie Road, Edinburgh, to offer vital holistic services for anyone impacted by breast cancer in Scotland.

We have already welcomed more than 500 visitors, with a range of wellbeing classes, workshops, therapies and, most of all, a supportive community to share hope. All funds raised from this event will help us increase our reach and services and keep the lights on at the House of Hope!
